

## FSG Colour Edging Pens 'Pro Fix'

### Application

- For opaque dyeing of closed surfaces made of wood, plastic and metal.
- For fast, easy colouring of corners, edges and grooves.
- For painting guide grooves on foil laminated PVC window profiles and doors.
- For indoor and outdoor use.

### Characteristics

- Acrylic-based pigmented topcoat.
- Fast drying
- High opacity
- Good adhesion to many lacquer, plastic and metal surfaces.
- Good lightfastness and weathering resistance (with corresponding layer thickness)

### Instructions for Use

- Before use shake the pen for 20 – 25 seconds until you hear the mixing balls clearly.
- Hold the pen with the tip on the top and remove the cap.
- Raise the tube squeezer slowly until the tip is loaded with lacquer. Through the clear valve the lacquer is visible.
- Dab the first drop of lacquer on a cloth.
- The pen is ready for usage – The amount of lacquer can be regulated by pressure to the tube:  
Light pressure = fine lines  
Strong pressure = wide lines  
If required, the tube squeezer can be kept rising.
- To achieve the correct colour allow the lacquer to dry completely (approx. 2 minutes).
- Important: Dab the tip after usage and put on the cap.
- Next usage: Raise the tube squeezer until new lacquer moistures the tip.
- Temperature of storage: not over 30 degrees.

### Technical Data and Shelf Life

<b>Touch-dry:</b>	approx. 1-2 min.
<b>Film strength:</b>	approx. 2-5 min. (values depend on room temperature)
<b>Lightfastness:</b>	good
<b>Weathering resistance:</b>	good
<b>Shelf Life:</b>	min. 2 years (in closed original container and at room temperature)

### Safety Precautions and Suggestions

- Highly flammable liquid and vapour.
- Harmful if swallowed.
- Causes serious eye irritation.
- May cause drowsiness or dizziness.
- Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- Avoid breathing dust / fume / gas / mist / vapours / spray.
- Do not eat, drink or smoke when using this product.
- IF SWALLOWED: Call a POISON CENTER / doctor / ... / if you feel unwell.
- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
- Call a POISON CENTER / doctor if you feel unwell.

Extract from the legal texts. More details on the label and safety data sheet.

### Storage and Disposal

- Do not allow to enter into surface water or drains.
- Dispose residues of the lacquer corresponding waste code 08 01 11 (Waste paint and varnish, which dispose of organic solvents or other dangerous substances).
- Return empty containers to manufacturer or emptied for material recycling options.
- For more information see safety data sheet or consult the appropriate local waste disposal expert.

### Delivery form

- Single pen
- Pack of 5 pens
- Pack of 10 pens
