

## FSG Anti-Adhesive Agent, Type TR 14 PLUS

### Intended Use

#### Edge banding machine

- For spraying onto the edge area of furniture parts before applying the plastic or veneer edges.
- Avoids the adherence of glue to pressure-exerting rolling and sliding blocks.
- Highly heat resistant.

### Characteristics

The sprayed Anti-Adhesive Agent Type TR 14 PLUS prevents the adhesion of glue residues arising at applying furniture edges. Using this Anti-Adhesive Agent glue residue can be removed more easily.

### Instructions for Use

- Fill the containers of the spraying system with the Anti-Adhesive Agent type TR 14 PLUS and set the optimum spray intensity.
- For safety reasons, check the selected settings at the first workpieces.
  - Glue residues do not adhere?
  - More detergent is sprayed as necessary?
- If necessary, adjust the setting of spray intensity.

### Technical Data and Shelf Life

<b>Condition of aggregation:</b>	liquid
<b>Colour:</b>	colourless
<b>Odour:</b>	Alcohol smell
<b>Shelf Life:</b>	2 – 3 Years

### Safety Precautions

- Highly flammable liquid and vapour.
- Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- Ground and bond container and receiving equipment.
- Take action to prevent static discharges.
- In case of fire: Use to extinguish.
- Store in well-ventilated place. Keep cool.
- Dispose of contents / container.

Extract from the legal texts. More details on the label and safety data sheet.

### Disposal

- Do not allow to enter into surface water or drains.
- Return empty containers to manufacturer or emptied and degassed for material recycling options.
- Dispose of waste according to applicable legislation.
- Dispose residues of the Anti-Adhesive Agent corresponding waste code 14 06 03 (other solvents and solvent mixtures).
- For more information see safety data sheet or consult the appropriate local waste disposal expert.

### Packaging

500ml – Plastic bottle
1l – Plastic bottle with spray nozzle
1l – Plastic bottle
5l – Plastic canister
30l – Plastic canister
30l – Steel can
200l – Steel barrel
